Series Tiers

Early-stage or newly adopted series often require intensive editorial development, community-building, and visibility work before they are stable; society-owned series can be particularly vulnerable because they typically lack commercial revenue streams and depend on volunteer labour. To ensure these valuable publications can thrive long-term, we offer two additional institutional support tiers:

TIER	ANNUAL FEE
------	------------

The Quarto **1,900 USD / 1,700 EUR / 1,500 GBP**

The Folio **6,500 USD / 6,000 EUR / 5,000 GBP**

ANNUAL MEMBERSHIP FEE
